"Good to be CDS 2023"

What Partners Say

Thanks to the organizers of CDS for their strong support for ZUMAX. This year, we brought microscopic and submicroscopic solutions to visitors, showing the capability of China's intelligent manufacturing. At the same time, we also participated in the 3rd CDS Group Purchase Day, presenting OMS1800 dental surgery microscope to everyone, the microscope with excellent performance and good price harvest a large number of dentists attention. Thanks to the organizers for building such an amazing trade platform for exhibitors, I hope that in the future, we will cooperate more closely, support each other and develop together, and work together to promote the development of oral health in China in an all-round way!

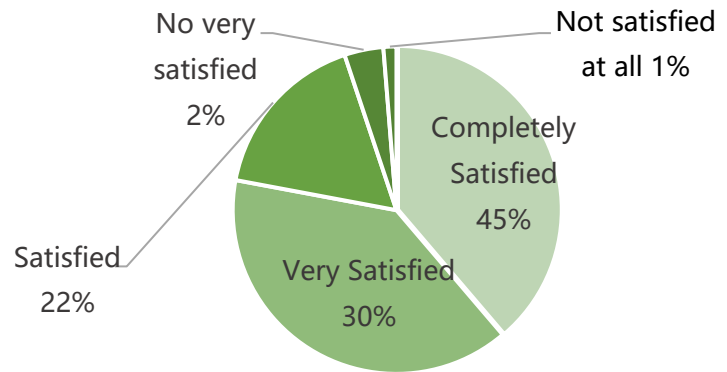

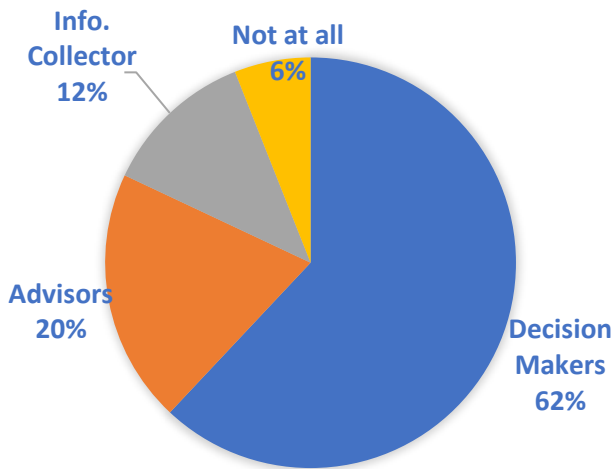

——Mr. Li Xiangdong, President of ZUMAX
